**Re: Reference Letter for Pavdeep Gill**

To Whom It May Concern:

I write this letter in support of Pavdeep Gill, who was employed at CadMakers 3D Printing Company Inc. from October 12, 2021, to August 5, 2022, as a Technical Artist. During this time, Pavdeep was responsible for the full pipeline production and quality assurance of real-time 3D assets.

He has a high working knowledge of techniques required to produce on-target results using digital content creation tools such as Blender and has a good understanding of parametric design paradigms as well as web technologies related to real-time rendering.

Additionally Pav is a great team player, able to coordinate with cross-discipline team members to ensure requirements are met under short timelines.

I am happy to help Pavdeep by providing my reference. Please do not hesitate to contact me should you have any further questions. I may be reached at (604) 833-1206 or [cm\\_HR@cadmakers.com](mailto:cm_HR@cadmakers.com).

Sincerely,

William Macleod  
Technical Artist
